

Yankee Dooley says:

I want YOU...

Yankee Dooley, 2008: What a difference a good home makes!
Dooley was pulled from the 10 March 2007 Thorp dog auction as being "unsaleable" because he was so ill.
His attitude at the time of his rescue was, "I just wish I were dead."
Dooley was less than five years old at the time.

To ask Candidates what they will do to
STOP puppy mill abuse like I suffered!

(And let them know that it MATTERS to you!)
